

January 2017

We are looking for 100% participation for club registrations this year. For your convenience the registration forms for each club are now active on our conference website, scc-adventist.org; the forms are fillable and can be downloaded and e-mailed directly to the office at toyin.mattison@scc-adventist.org.

WHY SHOULD I REGISTER MY CLUB?

1. Conference Recognition: Each club will be recognized as a club in good and faithful standing with the South Central Conference; this is equally important when it comes to registering for larger events connected with the Union or Division.
2. Insurance Coverage: Each club will have insurance coverage when participating in conference sponsored events. This coverage is important when it comes to transportation and lodging.
3. Budgetary Means: Coordinators in your area can travel to lead investitures and inductions, give seminars, conduct honors and provide support when clubs are in need.

Let's get on board with our registration and report 100% for the South Central Conference and be the best that NAD has to offer. Blessings!!

Sincerely,
South Central Conference Youth Ministries Department
