People are excited for the upcoming things this Camp Meeting. Some have traveled far to gain a blessing this week.

"This weekend I am camping out with the pathfinders" Charity Johnson said.

She is looking forward to gaining honors with her pathfinder group. Since the theme is changed Johnson says she wants meet new people and learn new things throughout the week.

# BIBLE BOWL

BY JOSEPH HYDE

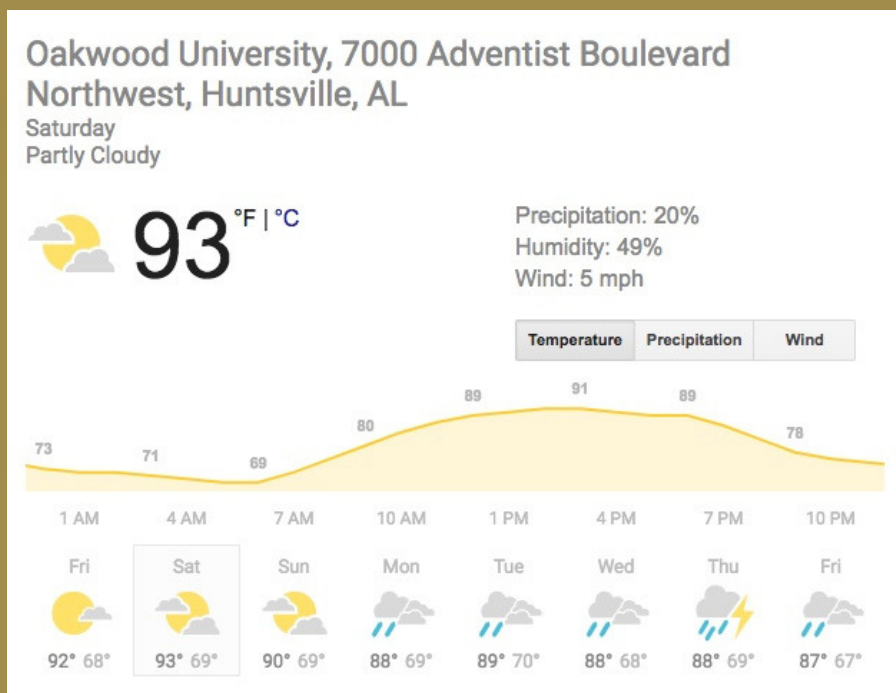

On June 8th Camp meeting was kicked off with Bible Bowl. Churches from all over South Central Conference brought teams to compete for a spot in nationals. Teams were made up of all ages from 6 and up.

Ms. Ruth (age 88) said this is her

first time playing Bible Bowl and she is excited. Although her team did not win she is looking forward to next year.

Competition was stiff due to the fact that this tournament determined whether your team would move on to nationals or not. Many teams were on edge. In the game of Madison Mission versus Breath of Life the door was locked to cut down on distractions. Breath of Life came out on top with the score 240 Breath of Life, 100 Madison Mission.

For the adults, Oakwood University Church won and are moving on to nationals.
